(b) Since inception of the scheme of CLR, Government of India has released Rs. 3494.81 lakh to the Rajasthan State, of which utilisation reported by the State Government is Rs. 1718.50 lakh, thus leaving a balance of Rs. 1776.31 lakh with the State Government.

The activities under the scheme of CLR, *viz*, development of suitable software as per the State's requirements, undertaking data entry work, verification and validation of the data entry work, porting of data from Foxbase to Windows platform, and setting up of computer centres at tehsil/sub-division levels are time-consuming processes. Therefore, the States often take time in utilization of funds released for the implementation of the scheme of CLR.

(c) As per the progress received from the State Government, data entry work has been completed. Computers have been installed in all the 241 tehsils, and computerised copies of jamabandi, *i.e.*, the Records of Rights (RoR), are being distributed to landowners on demand from these centres. Land records data are available on the internet also.
